VIÑEDOS SINGULARES

JUAN VALDELANA

ELCIEGO ✤ RIOJA ALAVESA

JUAN VALDELANA FINCA LA MEDIKA

DESCRIPTION

Single-vineyard Garnacha planted in 1920.

Located beside the Sanatorio de Leza, the vineyard is named in honour of a woman doctor. Her dedication, professionalism and determination made her unforgettable to the patients and families affected by tuberculosis.

Geomorphologically, it lies on an alluvial slope of Tertiary origin. Sandstone dominates its calcareous sandy-loam soil, which is relatively infertile, has low water-retention capacity and drains readily.

Organic viticulture.

Grape variety: Garnacha.

Traditional carbonic maceration of whole, uncrushed berries, with intracellular fermentation. Spontaneous fermentation in open oak vats.

Aged for one year in the same oak vats used for alcoholic fermentation.

TASTING NOTES

Clear, bright cherry red with a violet rim.

A powerful, herbal nose with rosemary, lavender and sweet hints of cumin and hemp.

On the palate, fig and date lead to a lingering finish of raspberry and plum jam.

Fresh and vibrant, with lively acidity balanced by concentrated tannins. Fine, elegant, original and truly distinctive.

RIOJA

DENOMINACIÓN DE ORIGEN CALIFICADA

RIOJA ALAVESA

NUMBERED EDITION

Puente Barrihuelo, 67-69. 01340 Elciego, Álava.
