VIÑEDOS SINGULARES

JUAN VALDELANA

ELCIEGO · RIOJA ALAVESA

JVV WHITE 2024

"Viticultor Arte-Sano"

DESCRIPTION

This wine is the union of the rest of my treasures, the "cabezadas" and "corrillos" of the Singular Vineyards. I have the freedom to enjoy them, to show who I am, where I come from.
Effort, pleasure, passion, suffering, self-improvement, my whole life in a bottle.
They are Singular Vineyards planted between 1920 and 1940 in Elciego, Leza, Navaridas and Laguardia.
The soils range from the foothills of Sierra Cantabria, where grey limestone abounds, to Elciego with Tertiary rocks, made up of sandstone and loamy clay. The vineyards are certified organic viticulture vineyards.
The wine is made by carbonic maceration, as my grandfather taught me. Spontaneous intracellular fermentation in open vats. Aged for 1 year in foudres and bocois.

TASTING NOTES

Type of grape: Viura, Malvasía, Garnacha Blanca, Maturana Blanca, Calagraño.

Presents a vivid straw yellow hue with greenish reflections, clean and bright.

On the nose it displays pronounced stone-fruit notes, especially peach, accompanied by a marked mineral character reminiscent of flint and volcanic rock. Subtle spicy hints of sandalwood and clove add complexity.

The palate is unctuous and vibrant, showing both power and freshness. Flavours of ripe plum, peach and touches of citrus unfold in layers.
The finish is long and expressive, with grapefruit and blood orange nuances, ending on a refined, slightly honeyed bitterness that brings great elegance and persistence.

RIOJA
DENOMINACIÓN DE ORIGEN CALIFICADA
RIOJA ALAVESA

NUMBERED EDITION: 6.660 Bottles
